*The Land assets stated above are to be let out each year on a yearly tenancy (364 day). A tenancy agreement shall be signed to confirm the conditions of the let. Any agricultural subsidies or other monies that the land may attract from time to time shall be apportioned to the tenant for the particular time he has possession of the land. It will be the Tenants responsibility to claim & collect these monies. The Parish Council reserve the right to withdraw this privilege at any time. An open public Auction will be held at each Annual Parishioners Meeting to decide who will occupy each plot for the year. The rental / income generated will be used by the Parish Council to further its objectives and responsibilities.*
