Cllr Peacock thanked the community for their support.

Residents noted that the freeholder woods had undergone coppicing and it was requested that the clerk asked Nigel Metcalfe of the YDNPA where the wood has gone.

A number of residents expressed their concerns about the campsite at Manor Grange Farm. The council informed the meeting that correspondence had taken place with YDNPA planning but no satisfactory solution had been offered.

There being no more business the meeting closed at 8.00 pm.
